Completion of the joining process – general information for applicants.

On receipt of your completed application form, the Honorary Secretary for ECSC will contact you to make arrangements for you to meet informally with one of the Flag Officers. The main purpose of the meeting is to discuss your *boating interests* and motivation for wishing to join. However, this is also an opportunity to familiarise you with the Club's facilities, activities and general ethos.

The Flag Officer will in turn, endorse and sign your application on presentation to the Committee for approval.

Please bear in mind that as a general rule, Committee Meetings take place on the 1st Wednesday of each calendar month – therefore, there may be a short delay before you receive confirmation of the outcome.

Once membership has been approved by the Committee, you will receive your membership card and electronic gate entry fob.

Membership is probationary for the first year. You will be expected to engage with the Club and its members and have contributed 10 hours to the Club over the year (pro rata in the case of joining part way through the year) before your membership can be renewed for the following year.
