Selling or Otherwise Disposing of Craft from Club Premises

Members using club premises or facilities for three or more different craft in any rolling 12-month period must have the written permission of the Rear Commodore Stores, or his or her deputy for the third, or any subsequent craft before bringing the craft on to club premises, or using club facilities for the maintenance of said craft. Before such permission is granted the member concerned must apply to the General Committee explaining the reason that permission is sought.

Enacted by the General Committee 7th October 2020 Version 1
