

The Jubilee Sailpast From Michael Palette Saturday 6th Of August

We took Sararose and anchored in Osborne bay at noon. We enjoyed champagne and smoked salmon sandwiches (Bertie our dog enjoyed a large carrot!)

We were summoned into our sailpast position at 13:50 and led the sailing boat division down to HRH on HMS Severn. A Silver spitfire performed aerobatics overhead.

Sararose flew the purple jubilee flag from her port stay.

We were proud to represent ECSC for this important jubilee event.
